

Part Time, Temporary or Substitute Teachers

“Part-time” – a part-time teacher works less than full time on a regular (daily) basis. A part-time teacher may also be a temporary teacher.

“Temporary” – a teacher who is contracted to work a specific length of time and then his/ her contract expires. A substitute is not a temporary teacher by this standard. A substitute may become a temporary teacher upon the signing of a “temporary contract” of specific length which does not include expectation of future employment past the specific length mentioned in the contract.

“Substitute” – a teacher who does not have a contract for a specific length of service. The teacher comes to work as called and cannot depend on daily employment with the district.
