

### **Teacher Lists of Instructional Materials**

1. Selection of materials shall be based on the scope and sequence of the subject area involved.
2. Library materials shall be selected by the teacher from approved reference sources and reviewed with the school principal.
3. The teacher shall note on these lists the library and audiovisual collections where each title is available to students.
4. Lists shall be submitted to and approved by the principal before use.
5. Direct or guide students in the selection of topics.
6. Choose suitable and useful instructional materials.
