

Rainier School District 13

Code: **IGB**
Adopted: 3/06/08

Special Instructional Programs**

The school board recognizes that the educational goals of the district may be attained through diverse instructional approaches and endorses the development of a variety of special programs through the cooperative effort of educators, parents and students.

A special program is defined as a complete educational program for the student which provides a distinctive learning environment as a means of achieving the educational goals of the district. Special instructional programs may differ in terms of instructional methodology, specific curriculum content, time and place for learning, interpersonal relationships of students and adults, methods of evaluation and relative priorities placed on educational goals. Special instructional programs may be available to students, teachers and parents by choice with administrative approval.
