

Rainier School District 13

Code: **IKB**
Adopted: 3/06/08

Homework

The district expects that students will be given homework to compliment classroom instruction. It is a learning activity which should increase in complexity with the maturity of the student.

Homework is to improve the learning process, to aid in the mastery of skills and to stimulate interest on the part of the student.

The principal and staff of each building with the approval of the director of curriculum will see that building guidelines for homework are established.
