

Rainier School District 13

Code: **IKFA**
Adopted: 7/01/89

Early Graduation**

A student who, for sound educational and vocational reason, wishes to graduate from high school in less time than the ordinary grade 9-12 sequence may request permission to complete graduation requirements on an altered schedule. The student and his/her parents will consult with high school guidance personnel in order to develop a graduation plan. Their intention to accomplish this plan will be stated in writing to high school administration. A student who has successfully completed the junior year with fewer than the required credits for graduation, and is then accepted from Rainier High School into an accredited college, may receive his/her high school diploma if a transfer agreement is completed with the high school outlining the needed high school requirements and those college equivalents.
