

Equal Educational Opportunity

Every student of the district will be given equal educational opportunities regardless of race, religion, sex, sexual orientation¹, color, national origin, disability, marital or parental status.

Further, no student will be excluded from participating in, denied the benefits of, or subjected to discrimination under any educational program or activity conducted by the district. The district will treat its students without discrimination as this pertains to course offerings, athletics, counseling, employment assistance, and extracurricular activities.

The district staff is directed to make a continuous effort to provide equal opportunities for students to learn and to continually strive to eliminate those conditions which may result in discrimination.
