

**Student Athlete Drug Testing \*\***

As part of the district’s substance abuse prevention efforts, drug testing may be required of all student athletes, grades 7-12 in order to:

1. Provide for the student athletes’ health and safety;
2. Undermine the effects of peer pressure; and
3. Encourage participation in treatment programs, at parent expense, or a combination of public and private expense, for student athletes with substance abuse problems.

No student athlete shall be penalized academically for testing positive for illegal or performance-enhancing drugs. Test results will not be documented in any student’s education records. Information regarding the results of drug tests will not be disclosed to criminal or juvenile authorities absent a valid and binding subpoena or other legal process, which the district shall not solicit.

In the event of a subpoena or other legal process, the district will notify the student’s parents prior to releasing information.

Student athletes may be tested at the beginning of any athletic season in which he/she participates. In addition, random testing will be conducted throughout the year by a method determined by the district to assure the integrity, confidentiality, and random nature of the selection process.

The superintendent will develop administrative regulations to implement the drug-testing program in accordance with the provisions of law.
