Code: **KLD**  
Adopted: 7/01/89

## **Public Complaints About School Personnel**

Whenever a complaint about personnel is made directly to the Board as a whole or to a Board member as an individual, it will be referred to the superintendent for study and possible solutions. The individual employee involved will be advised of the nature of the complaint and will be given every opportunity for explanation, comment, and presentation of the facts as he/she sees them.

The administration, the person who made the complaint, or the employee involved may request a meeting with the Board for the purposes of fuller study. If such a meeting is desired, the Board will ask all parties involved to attend such a meeting for the purposes of presenting additional facts, making further explanations and clarifying the issues.
