Board Policy Implementation

Effective Date of Policies

All new or amended policies will become effective on the day after adoption by the Board, unless a specific date is included in the motion for adoption.

Policy Implementation

The superintendent and administrative staff will implement Board policies. The superintendent may formulate administrative regulations and procedures to assist policy implementation.

It will be the Board's duty to evaluate the effectiveness of the policy and the effectiveness of the administration's implementation of the policy.

Policy Dissemination

Written policies that govern the district will be maintained electronically and will be updated and posted on the district website by district staff as new policies are developed or existing policies are revised or repealed. Each district employee will be notified of the existence and availability of personnel policies.

The administration office will maintain a current policy manual and will provide for staff and public access to the manual during regular office hours. The Board's policy manual will be considered a public record and will be open for inspection at the superintendent's office.

The superintendent will provide channels for disseminating appropriate policies to the community.
