Emergency Closures**

In case of fog, snow, ice or other hazardous or emergency conditions, the superintendent or her or his designee may alter district and transportation schedules as are appropriate to the particular emergency. Such alterations include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students.

The superintendent or designee will develop and maintain such plans and procedures as are necessary to carry out alternate school and bus schedules.

Students, parents and staff will be informed at the beginning of each school year as to the procedures that will be used to notify them in case of an emergency closure.
