Student Transportation Services

School transportation services will be provided for students to and from school. School transportation may also be used to transport students to and from curricular and extracurricular activities sponsored by the district. Transporting from one school or facility to another and to school-sponsored field trips are extensions of classroom learning experiences. Transportation will be provided for homeless students to and from the school of origin¹ as required by the No Child Left Behind Act of 2001 (NCLBA). These services shall be provided throughout the regularly scheduled year and during the regular school day as determined by the Board.

Elementary students, grades K-5, that live more than one mile from their assigned school will be transported. Secondary students, grades 6-12, who live more than one and one-half miles from their assigned school, will be transported. The Board, for the purpose of transportation only and under the provisions of Oregon Administrative Rule (OAR) 581-023-0040 not withstanding any other statutes or rules, designates Obsidian Middle School, Elton Gregory Middle School, Redmond High School and Ridgeview High School as secondary schools. Mileage exceptions for health, safety or disability will be made in accordance with the district's approved supplemental plan.

Miles from school will be determined by the transportation department in accordance with OAR 581-023-0040(1)(c).

The district may use Type 10 School Activity Vehicles to transport students from home to school, school to home and to/from district-sponsored activities.

The district may also provide transportation using federal funds² or through cooperative agreements with local victims assistance units for a student to attend a safe district school³ out of the student's attendance area for any student who is a victim of a violent criminal offense occurring in or on the grounds of the school the student attends or the student attends a school identified as persistently dangerous.

If there are no other schools within the district a student may transfer to, the district may establish a cooperative agreement with other districts in the area for a transfer. Transportation for students who transfer for such purposes will be provided in accordance with the agreement.

¹"School of origin" means the school that the student attended when permanently housed or the school in which the student was last enrolled.

²Federal funds means funds available through Title IV, Part A, and Title V, Part A.

³If there is not another school in the district to which students can transfer, districts are encouraged, but not required to, explore other appropriate options, i.e., an agreement with a neighboring district.

Students attending any private, parochial or public charter school under the compulsory school attendance laws will, where the private, parochial or public charter school is along or near the bus route, be provided equally the riding privileges given to public school students.

Preschool students with disabilities who have transportation as a related service and children from birth to age three who are enrolled in an eligible program shall be provided home to school and school to home transportation.

A seat that fully supports each person and meets the minimum standards and specifications of law will be provided at all times. A person who weighs 40 pounds or less must be properly secured with a child safety system that meets the minimum standards and specifications established by the Oregon Department of Transportation under ORS 815.055. A person over 40 pounds or who has reached the upper weight limit for the forward-facing car seat, must use a booster seat until four feet nine inches or age eight and the adult belt properly fits.⁴ A person who is taller than four feet nine inches or eight years of age or older must be properly secured with a safety belt or harness that meets the requirements under ORS 815.055. In accordance with ORS 811.210 and 811.215 vehicles in excess of 10,000 pounds use for student transportation are exempt from statutory requirements unless they have been equipped with lap belts. Vehicles in excess of 10,000 pounds that have been equipped with lap belts must meet child car seat requirements as set forth in law. School buses over 10,000 pounds are exempt from seat belt requirements per ORS 815.080.

School buses carrying students will be considered extensions of the school experience. All students using school transportation will abide by the code of conduct provided in the student handbook each school year. Violations of such code, as well as other conduct which is improper or which jeopardizes the safety of self or others, will be reported by the school bus driver to the transportation supervisor. The transportation department will, as soon as possible, inform the appropriate building principal of such occurrence. The transportation department will notify the parent/guardian as appropriate. Violators may be denied use of transportation for a period of time as deemed proper by the transportation manager and/or building principal.

The building principal or designee shall ensure transportation officials and drivers receive notification of students having special medical or behavioral protocols identified in student records.

Appropriate training related to specific protocols, including confidentiality requirements, will be provided to drivers.

Aides or assistants that ride a school bus shall receive training on emergency procedures and their role in the safe transportation of all students on the bus.

The school bus driver will be responsible for the school bus at all times from departure until return. The driver will not participate in any activities that might impair his/her driving abilities.

⁴“Proper fit” means the lap belt of the safety belt or safety harness is positioned low across the thighs and the shoulder belt is positioned over the collarbone and away from the neck.

The district will comply with all state and federal laws and regulations pertaining to school bus transportation.
