Use of Video Cameras for Student and Staff Safety

The Board recognizes the district's continuing responsibility to maintain and improve discipline, and ensure the health, welfare and safety of its staff and students on school transportation vehicles and district property.

The Board, after having carefully considered the rights of privacy of students and staff supports the use of district authorized digital recordings.

District authorized digital recordings may be used on district property and school transportation vehicles to ensure the health, welfare and safety of all staff, students and visitors to district property, riding in school transportation vehicles, and to safeguard district property, facilities and equipment.

District authorized digital recordings may be placed and used in areas that present safety and/or security risks to students, staff or property, are deemed appropriate by the superintendent or designee. Digital recordings will not be placed in restrooms or dressing rooms.

This policy does not prohibit the use of video equipment for professional development and/or educational purposes in classrooms, as allowed by law.

Such equipment may also be used to monitor the performance of district employees in the fulfillment of their duties on school transportation vehicles transporting students to and from curricular and extracurricular activities.

Students in violation of district conduct rules shall be subject to disciplinary action in accordance with established Board policy and administrative regulations governing student conduct and discipline.

Staff shall be subject to established Board personnel policies, administrative regulations and collective bargaining agreements including provisions related to evaluation, discipline and dismissal.

Digital recordings, depending on how they are used in student disciplinary proceedings, may become a part of a student's education record. In such cases, the district shall comply with all applicable state and federal laws related to education records. Such records will also be subject to established district procedures regarding education records including access, review and release of such records.

The superintendent shall develop procedures for the notification of staff, students, parents and others as necessary of the use of digital cameras on school transportation vehicles and district property.
