Proof of Private Vehicle Liability Insurance

The following requirements must be met for transportation of students in private vehicles:

1. Students will be transported in private vehicles only for school activities;
2. Drivers must be at least 18 years of age;
3. Drivers must be properly licensed to drive;
4. Drivers must provide proof of valid vehicle liability insurance meeting or exceeding the minimum requirements as established by the state of Oregon and/or the district. Drivers acknowledge that in the event of an accident, the vehicle's insurance will provide primary coverage;
5. The vehicle must contain an adequate number of seat restraints, including when applicable, a child safety system for a child who weighs less than 40 pounds, regardless of age. The child safety system must elevate the person so that a safety belt or safety harness properly fits the individual and meets the minimum standards and specifications of law. A person over 40 pounds or who has reached the upper weight limit for the forward-facing car seat must use a booster seat until four feet nine inches or age eight and the adult belt properly fits. A person who is taller than four feet nine inches or eight years of age or older must be properly secured with a safety belt or harness that meets the requirements under Oregon Revised Statute (ORS) 815.055. Training in the proper installation and use of child safety system may be required. It is recommended that students 12 years of age or younger do not ride in the front seat. The driver must require all students use safety restraint systems at all times when transported in the vehicle.
