Management of Nutrition Services

The district may provide food services for students and staff. Food services will comply with state and federal laws and regulations relating to such services.

The nutrition services manager, under the direction of the superintendent or designee will be responsible for the management of the food service program.

The Nutrition Services Manager will report to the Board, at least annually, on the condition of the food service program and will make such other reports related to food services as the Board requests.

In keeping with health department guidelines, only food prepared in an inspected kitchen should be available in the schools. And all personnel handling food will have a current food handlers card.
