## **Programs and Services - Talented and Gifted Students\*\***

A district written plan will be developed for programs and services beyond those normally offered by the regular school program. All required written course statements shall identify the academic instructional programs and services to be provided which accommodate the assessed levels of advanced learning and accelerated rates of learning in identified talented and gifted (TAG) students. The superintendent will remove any administrative barriers that may exist which restrict students' access to appropriate services and will develop program and service options.

Programs and services will be in place for K-12.

The Board has established an appeal process for a parent to utilize if they are dissatisfied with the programs and services recommended for their identified TAG student and wish to request reconsideration.

The Board has established a complaint procedure to utilize if an individual has a complaint regarding the appropriateness of programs and services provided for an identified TAG student.
