### **Admission of Part-Time Private School Students**

1. Principals will determine the number of dual enrolled school students that their respective programs can accommodate based on available space.
2. Admission applications must originate through the principal's office and then be sent to the superintendent's office.
3. Student educational and behavioral records will be obtained and reviewed prior to admission.
4. The superintendent or designee must give final approval.
5. Full-time, district resident students will be given scheduling preference over dual enrolled students.
6. Only dual enrolled school students who live within district boundaries will be considered for class enrollment. Students outside the district must go through the interdistrict agreement process.
7. Students who request to participate in extracurricular activities in grades 9-12 must meet eligibility requirements for programs administered by the Oregon School Activities Association.
