

Staff Complaints

The executive director will develop a complaint procedure which will be available for all employees who believe there is evidence of, and wishes to report a violation, misinterpretation or inappropriate application of public charter school personnel policies and/or administrative regulations; a mismanagement, gross waste of funds or abuse of authority; or believe there is evidence the public charter school created a substantial and specific danger to public health and safety by its actions. The complaint procedure will provide an orderly process for the consideration and resolution of problems in the application or interpretation of public charter school personnel policies.

Disputes concerning an employee's dismissal, contract nonrenewal or contract nonextension will not be processed under this procedure.

Reasonable efforts will be made to resolve complaints informally.

Administrative regulations will be developed to outline procedural timelines and steps under this policy, as necessary. The public charter school will use the complaint process in Board policy KL - Public Complaints to address any alleged violations of this policy.
