

Relations with Law Enforcement Agencies

The public charter school board recognizes that cooperation with law enforcement agencies is essential for the protection of staff and students, for maintaining a safe environment in the public charter school and for safeguarding public charter school property.

Law enforcement officials may enter school facilities if a crime has been committed on public charter school property or to investigate matters concerning staff and students upon request initiated by either agency officials or by public charter school administrators.

The administrator will develop administrative regulations to implement this policy, including procedures for handling investigations, administrator requests for assistance and required referrals to law enforcement agencies.
