

## **Administrative Standards**

The administrative standards must:

1. Consider multiple measures of administrative effectiveness that encompass a range of appropriate administrative behaviors. These measures use multiple evaluation methods that utilize multiple measures to evaluate administrator performance which may include, but is not limited to:
  - a. Student performance;
  - b. Student assessment;
  - c. Classroom-based assessments, including observations, lesson plans and assignments;
  - d. Portfolios of evidence;
  - e. Supervisor reports; and
  - f. Self-reflections and assessments.
2. Consider evidence of student academic growth and learning based on multiple measures of student progress, including performance data of students and the school(s);
3. Be research based;
4. Be separately developed for each administrator; and
5. Be customized to the district, which may include individualized weighting and application of administrative standards.

Local evaluation and support systems established by the district for administrators must be:

1. Designed with four performance level ratings of effectiveness as defined in the *Oregon Framework for Teacher and Administrator Evaluation and Support Systems*;
2. Based on significant consideration of student learning which may include but is not limited to:
  - a. Schoolwide academic growth, as determined by the statewide assessment system implemented by the Oregon Department of Education under Oregon Revised Statute (ORS) 329.485; and
  - b. Formative and summative assessments.
3. On a regular cycle.

The superintendent shall regularly report to the board on implementation of the evaluation and support systems and educator effectiveness.
