Board Member Development

The complexity of Board membership demands opportunities for development, study and training of Board members. The Board places a high priority on the importance of a planned and continuing program of in-service education for its members.

In order for Board members to develop leadership capabilities, become informed about current issues in education, and improve their skills as members of a policymaking body, Board members will participate in opportunities for development that may include, but not be limited to, the following:

1. In-service activities planned by the Board and by the administration for staff members, as appropriate;
2. Participation in conferences, workshops and conventions held by state and national school board associations and other educational organizations;
3. Subscriptions to publications addressing Board member concerns.

Recognizing the need for continuing training and development of its members, the Board encourages the participation of all members in appropriate conferences, conventions and workshops. To control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

1. The superintendent will inform Board members, in a timely manner, of upcoming conferences, conventions and workshops. The Board will decide which meetings appear to be most likely to produce the greatest benefit to the Board and the district;
2. Funds for participation at such meetings will be budgeted. When funds are limited, the Board will designate which of its members would be most appropriate to participate at a given meeting;
3. When a conference, convention, or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations and materials acquired at the meeting by means of written or oral reports;
4. If authorized to attend, and reimbursement is approved by the entire Board, Board members will be reimbursed, upon request, for reasonable and necessary expenses actually incurred.
