Salary Deductions

Authorized payroll deductions will be made upon an appropriately submitted request from the employee.

Subject to standard accounting procedures, employees may authorize modification in the payment of their salary to include deductions such as: (1) tax sheltered annuities (TSA), as authorized by the Internal Revenue Service and approved by the Board; (2) insurance premiums in excess of district contributions to Board-approved programs; (3) labor organization dues; (4) credit unions; (5) United Way; and (6) CARE.

District-approved TSA companies shall be required to provide employees a maximum exclusion allowance (MEA) prior to the initial withholding, or any changes in withholdings, from employees' earnings. Employees are responsible for filing a copy of the MEA with the district prior to any district withholding.

The district will comply with federal requirements that establish maximum annual TSA allowable contributions. The district reserves the right to reduce, suspend and/or reinstate employee TSA contributions at any time to ensure compliance with applicable law.

No other automatic deductions except those required by law will be made from an employee's pay without authorization of the Board.
