## **Admissions\*\***

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should attend school regularly and be included in the available educational programs.

State law requires students to be age six on or before September 1 to enter first grade; and age five on or before September 1 to enter kindergarten.

All new students must register in the office. Registration requirements include proof of the student's birth date (a birth certificate, a hospital record or a baptismal record) and immunization records as required by law. Students admitted to any grade must show evidence of completing the prior school years.

Students enrolled in the district shall comply with Oregon laws related to age, residence, health and immunization.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed place of residence or solely because the student is not under the supervision of a parent.

### **Admission of Resident Students**

School-age students who live within the district attendance area may attend school without paying tuition.

1. Residents over age 19 may be admitted with the approval of the superintendent and upon payment of tuition at the rate established by the Board. Students who turn 19 years of age during the school year shall continue to be eligible for a free and appropriate public education for the remainder of the school year.
2. The Board shall admit otherwise eligible students who have not yet attained 21 years of age prior to the beginning of the current school year if they are shown to be in need of additional education in order to receive a diploma; or receiving special education services and have not yet received a regular high school diploma. These students may attend school without paying tuition for the remainder of the school year.
