Public Responsibility for Facility Usage

The Board supports the community education concept, which encourages the use of school district facilities by community members for recreation, education, and service activities. A “Building Use Request” must be submitted by the person or group to the school office three or more days prior to the use date. Approval or denial will be granted by the school office in coordination with facility administrators. The original copy of the agreement will remain in the school office. Other copies will be distributed to the designated building administrator, building custodial staff and facility user.

Approval for using facilities will be granted for a period to be determined by the building administrator but not to exceed one year. Requests must be resubmitted if the person or group desires to continue using the facility.

The Board expects the users to treat the facilities with respect. The user must agree to the guidelines on the “Building Use Request” form.
