Adoption and Revision of Policies

Board policies will be subject to alteration, addition or deletion only upon majority vote of the Board at any regular or special meeting in which all members have been notified in writing of the proposed alteration, addition or deletion at least 24 hours in advance. In most cases, a first reading of the policy will be scheduled on a regular meeting agenda prior to its adoption at a subsequent regular meeting.

A proposed change in policy will not be made at the meeting in which the change is proposed unless an emergency arises. A unanimous vote of the Board is required to declare an emergency situation.

The formal adoption of policies will be recorded in the Board minutes. Only those written statements so adopted and so recorded will be regarded as official Board policy.

Board policy documents will be printed and assembled in loose-leaf notebook. When additions, deletions or amendments are made to Board policy, the addition, deletion or amendment will carry the adoption date and the corrected copy will be published and inserted in each Board policy notebook at the earliest opportunity.

The operation of any section or sections of policies not established by law or specifically listed in the current labor document may be temporarily suspended by a majority vote of the Board at a regular or special meeting.

A policy notebook will be placed in the district office, in each school office and on the district's web page.
