Budget Committee

By law, the budget committee is charged with making recommendations concerning financial priorities.

The budget committee will have the responsibility for reviewing the financial program of the district, reviewing the proposed district budget as presented by the superintendent and recommending an annual or biennial district budget in keeping with the provisions of applicable state laws.

Educational policy decisions, however, are the responsibility of the Board, not the budget committee. The committee does not have the authority to add programs or to approve additional personnel or increase salaries. While the committee may, in effect, delete programs because of a fund decrease in arriving at a levy figure, the committee is charged primarily with a fiscal evaluation of programs. The committee may, alternatively, set an amount that changes the recommended budget and may request the administration make such changes in accordance with priorities set by the Board.

The budget committee consists of five members appointed by the Board plus the elected Board members. To be eligible for appointment, the appointive member must:

1. Live in the district for one year prior to application;
2. Live and be registered to vote in the district; and
3. Not be an officer, agent or employee of the district.

No budget committee member may receive any type of compensation from the district.

At its first meeting in August, the Board will identify vacant budget committee positions which must be filled by appointment of the Board. The Board will announce the vacancies and receive applications from interested persons during the month of September. Such applications will include a signed statement that the applicant is willing to serve as a member of the budget committee and to adhere to the policies of the district. The Board may appoint budget committee members to as many consecutive terms as deemed appropriate.

At the first regular Board meeting in October, the Board will review the names of persons filing applications and names of those persons who have served previously and are willing to be reappointed. At the first regular meeting in October, the Board will appoint persons to fill the vacant positions.

The appointive committee members of a budget committee in a district that prepares an annual budget will be appointed for three-year terms. The terms will be staggered so that, as near as practicable, one-third of the appointive members' terms end each year. If any appointive member is unable to complete the term for which he/she was appointed, the Board will announce the vacancy at the first regular Board meeting following the committee member's resignation or removal. An appointment to fill the position for its unexpired term will be made at the next regular Board meeting.

At its first meeting after appointment, the budget committee will elect a presiding officer from among its members. It may also establish other ground rules as necessary for successful operation of the committee.

A majority of the constituted committee is required for passing an action item.

The budget committee shall hold one or more meetings to receive the budget message, receive the budget document and to provide members of the public with an opportunity to ask questions about and comment on the budget document. The budget officer shall announce the time and place for all meetings, as provided by law. All meetings of the budget committee are open to the public.

The budget committee will approve the budget document as submitted by the superintendent or as subsequently revised by the committee.

After approval of the original or revised budget document, the budget committee's duties cease. The hearing on the approved budget is held by the Board.
