## Student Transportation in Private Vehicle

Transportation of students will be by the district provided transportation system except as follows.

Parents and/or district employees may be permitted to use private vehicles to transport students other than their own on field trips or other school activities under the following conditions:

1. The superintendent or building principal has approved the activity;
2. Permission by each student's parent(s) has been received by the superintendent or building principal, granting permission for the student to participate in the activity and to ride in a privately-owned vehicle;
3. The parent, employee or other adult driving the vehicle is properly licensed to drive and has provided proof of insurance. Such insurance shall meet or exceed minimum requirements as established by the state of Oregon and as set by the district;
4. The vehicle contains an adequate number of seat restraints, including when applicable, a child safety system for a child four or five years of age or who weighs between 40 and 60 pounds, regardless of age, and the adult driver requires their use. The child safety system must elevate the person so that a safety belt or safety harness properly fits the individual and meets the minimum standards and specifications of law. Training in the proper installation and use of child safety system may be required.
