Use of Feature Films/Videos**

The Board recognizes the showing of commercially produced and rated feature films and videos may have a legitimate purpose in a school's educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district. The Board directs procedures be developed to accomplish this objective, including the provision that a parent has the opportunity to preview a film when practicably possible and that a parent must give prior consent before his/her student may view a film rated PG (Grade K-6), PG-13 (Grade 7-9) and R only with prior permission from the principal (Grade 9-12). Films rated NC-17 will not be shown without prior approval by the superintendent.
