Minutes of Board Meetings

The deputy clerk or designee shall be responsible for full and accurate records of all proceedings of the meetings of the Board. These minutes shall be kept in full and on file as a permanent official record of the district and include but not be limited to:

1. All members of the Board who were present;
2. All motions, proposals, resolutions, orders and measures proposed and their disposition;
3. The results of all votes and the vote of each member by name;
4. The substance of any discussion on any matter;
5. Any other information required by law.

Minutes of executive sessions will be kept in accordance with the requirements of Oregon Public Meetings Laws.

All minutes shall be available to the public within a reasonable time. The public and patrons of the district may receive, upon request, copies of approved current minutes at the district office. Minutes need not be approved by the Board prior to being available to the public. A copy of the minutes of each regular and special Board meeting as they are drafted for approval will be distributed after such meeting to each Board member and administrator.

The district will maintain and make available to staff and other interested patrons an updated copy of the meeting minutes.

Minutes of executive sessions will be kept in accordance with the requirements of Oregon's Public Meetings Law with essentially the same level of detail as for public sessions. If disclosure of material in the executive session minutes would be inconsistent with the purpose for which executive session was held under ORS 192.660, the material may be withheld from disclosure.

If an executive session is held pursuant to ORS 332.061, the following shall not be made public: the name of the minor student; the issue, including a student's confidential medical records and that student's educational program; the discussion; and each Board member's vote on the issue.

All minutes shall be made available to the public within a reasonable time following the meetings.
