

Instructional Arrangements/Group/Class Size

There are two administrative units in the district.

1. Santiam Elementary School K-6
2. Santiam Junior/Senior High School 7-12

The district recognizes that student-teacher ratio is a key aspect of the educational program and shall endeavor to maintain a ratio in consideration of the best interests of the students. When assigning teachers and students to classes, consideration will be given to the following:

1. Outcomes expected from the program;
2. Student-Teacher ratio of each class;
3. Total number of students assigned per teacher;
4. Number of subject preparations per teacher;
5. Support staff available;
6. Teacher's licensure and experience;
7. Appropriateness and size of facility;
8. State Board of Education guidelines.
