Volunteers

The Board encourages and appreciates volunteers in the schools. Volunteers provide the district with community expertise, energy, enthusiasm, commitment and diverse skills in support of both instructional and noninstructional district goals.

Any person authorized by the district for volunteer service into a position that will have direct, unsupervised contact with students shall be required to undergo an Oregon criminal records check.

Any volunteer who knowingly makes a false statement, as determined by the district, on a district volunteer application form may be denied the ability to volunteer in the district.

The superintendent will develop administrative regulations to implement and coordinate a district volunteer program.
