- d. Decisions to retain the individual in his/her current position will be made by the superintendent. The individual will not be required to submit to established district application and interview procedures. Decisions to retain the individual in a position other than the individual's current position, such as a new position or another vacant position will be made by the superintendent.
- e. Salary, benefits and length of service for early retirees who are excluded from the bargaining unit will be determined by the superintendent.

¹The period or periods of employment by one or more public employers of any person receiving a service retirement allowance shall not total 1,040 hours or more in any calendar year; but if the person is receiving old-age, survivors or disability insurance benefits under the federal Social Security Act, the person may be employed for the number of hours for which the salary equals the maximum allowed for receipt of the full amount of those benefits to which the person is entitled. The limitations on employment imposed above do not apply to a retired member who has attained normal retirement age and who is employed as a teacher or as an administrator, as those terms are defined in ORS 342.120, if the retired member is employed by a school district or education service district that has its administrative office located within a county with a population of not more than 35,000 inhabitants according to the latest federal decennial census.

- f. Employees who retire during the school year shall not serve past June 30. Decisions on continued employment past that date will be made by the superintendent on a case-by-case basis.
