Code: **IGDF**
Adopted: 5/02/94
Orig. Code(s): 5995.1; 5995.2

Student Fund-Raising Activities

Fund raising in the schools shall be allowed within the limitations imposed by district and/or administrative policy. The district urges the selling of products or services rather than merely asking for “handouts”.

Any student, all student clubs, teams, classes or other groups planning to solicit funds from fellow students or from the community for the purpose of financing trips or other activities must submit such proposals to the principal for approval prior to any attempt at soliciting funds. Forms will be available in the main office.

Soliciting limited to the school campus requires student council and principal’s approval only.

Soliciting off school campus requires student council, principal and superintendent’s approval. Additionally, students who engage in the solicitation of funds off campus must have an authorized copy of the fund-raising proposal form in their possession.

Soliciting for out of state trips requires student council, principal, superintendent and school Board’s approval.

The superintendent will develop procedures for fund-raising activities that may be authorized in the Scappoose School District.
