

Transcript Evaluation Procedures

The building principal or designee will conduct an evaluation of transfer student transcripts and other documentation as may be required to: determine the value of course credits earned; acceptance or rejection of credit and grades; the number of years of school attendance or equivalent; and subsequent placement of students in district schools.

Awarding of Credits

1. Students transferring from a standard Oregon public school or another state's standard school will receive credit for previously completed courses and attendance on the same basis credit and attendance are accepted for such courses completed in district schools.
2. Students transferring from another school district's approved alternative program or a private alternative program registered with the Oregon Department of Education (ODE) or other state's department of education will receive credit for previously completed courses and attendance on the same basis credit and attendance are accepted for such courses completed in district schools.
3. Students transferring from an alternative program not registered as provided above, will not be eligible to receive credit for previously completed course work or attendance in such programs.
4. Students transferring from an accredited private school will receive credit for previously completed courses and attendance on the same basis credit and attendance are accepted for such courses completed in district schools.

Credits earned for classes of a sectarian nature may not be accepted. Students may be required to submit course descriptions, or other documentation as may be deemed necessary, to determine whether a course is primarily sectarian in nature.

5. Students transferring from a nonaccredited private school may receive credit for those courses that have the same or substantially similar course content and hours of instruction as existing district courses.
6. Students transferring from a home study program under ORS 339.035 will not receive credit for course work previously completed under such programs of instruction.
7. Students may be required to submit course descriptions or other documentation as deemed necessary, including hours of instruction, to assist district officials in determining credit and attendance to be accepted. Such information may be gathered by phone.

Validation of Credit

1. The district may, at its discretion, require validation of credit from students transferring from nonaccredited schools and nonregistered alternative programs, by requiring that the student complete an assessment or provide equivalent portfolio/work sample evidence.
2. The district may conditionally accept credit from students transferring from nonaccredited schools and nonregistered alternative programs. Students not meeting course requirements at the first grading period, may be required to undergo further written or oral assessment.
3. Students unable to validate credit will be scheduled/rescheduled at the appropriate grad/course level and the credit(s) in question denied.

Grade-Level Placement
