Code: **KLD**  
Adopted: 8/08/94

## Public Complaints about District Personnel

The Board encourages citizens to communicate directly with members of individual school staffs and with district level personnel on matters pertaining to the operation of the schools. General comments, questions or concerns about the district can be directed to the superintendent or to an individual school office if the matter concerns a particular school. Both commendations and constructive criticisms are welcomed by the Board and should serve to keep communications open between the schools and the citizens of the community.

When commendations are received by the administration concerning specific schools or employees, the commendation will be shared appropriately with staff, i.e., personal contact, note, media release, etc. When complaints about district employees are received, the Board believes that they should be handled fairly and with concern for the rights of the people involved. Every effort should be made to resolve a complaint initially with the person who is directly involved in the matter resulting in the complaint. To ensure prompt attention to complaints and fair treatment to involved parties, the district's complaint process shall be used. District administrators and supervisors are responsible for informing the public about this complaint procedure.
