District Vehicles

It is the Board's policy that district vehicles are to be driven in a manner which allows for maximum safety of passengers and others.

- Drivers must possess the proper license for operation of the vehicle.
- Driving records will be checked with the Oregon Department of Education prior to transporting students.
- No passengers are allowed in district vehicles without prior approval of an authorized official.
- District vehicle requisition forms must be completed prior to vehicle use.
- Students will not drive district vehicles except for the tractor and driver education car. Students operating these vehicles must be supervised by authorized district employees.
- Vehicles are to be properly cared for, maintained and returned to the district in a clean condition.

Personal use of district vehicles is prohibited except where authorized by contract.
