## Management of Food Services

It is Board policy to provide lunches for students enrolled in district schools. The district has entered into agreement to participate in the National School Lunch Program. The superintendent is assigned responsibility for the implementation of this policy, in keeping with state and federal laws and regulations.

The superintendent shall provide overall supervision of the school lunch program, and will keep the Board advised at least annually of the condition of the food service program.

In keeping with health department guidelines, only food prepared in an inspected kitchen should be available in the schools.
