Child Nutrition - Public Notification

Application

1. Free and reduced-price application forms will be sent to the family of each student enrolled in district schools at the beginning of the school year. Extra forms will be kept in each school office and will be available to anyone upon oral or written request. The completed application may be returned to the principal in person or by mail.
2. The principal of each school shall be responsible for determining the eligibility of the students in his/her school, based on the information given in each application and the federal and state guidelines.
3. Any family whose students have been provided with a reduced-price meal shall have an opportunity to make application for a lower reduced-price or a free meal.

Eligibility

Eligibility for free or reduced-price lunches shall be based on the following:

1. The family income level, number of family members and number of students in school. Any student who is a member of a family which has an annual income from all sources at or below the applicable family size income level as per guidelines receive lunches free or at a reduced cost. Income level guidelines are available at each school office.
2. A student who qualified for a free or reduced-price meal at one school and who is transferred to the other school in the district will continue to qualify for such a meal without further application.

Nondiscrimination Practices

The district shall abide by the nondiscrimination practices as given in the Free and Reduced-Price Lunch Policy Guidelines to the end that no student receiving a free or reduced-price meal shall in any way be identified or treated in a different manner.
