Talented and Gifted Program

The district is committed to an educational program that recognizes, identifies and serves unique needs of talented and gifted students.

Talented and gifted students are those who have been identified as academically and intellectually gifted.

The district staff shall develop procedures for identifying academically talented and intellectually gifted students K-12.

The superintendent and staff shall develop a written plan that identifies programs or services needed to address the assessed levels of learning and accelerated levels of learning of identified students.

Academics, instructional programs and services which shall be provided will be specified in appropriate written course statements.

Other students who demonstrate the potential to perform at the eligibility criteria, as well as additional students who are talented and gifted, may be identified. The district shall develop procedures for identifying students qualifying under this provision.
