

## Graduation Requirements

The Board will establish graduation requirements for the awarding of a high school diploma, a modified diploma, an extended diploma and an alternative certificate which meet or exceed state requirements. A student may satisfy graduation requirements in less than four years. The district will award a diploma to a student fulfilling graduation requirements in less than four years if consent is given by the student's parent or guardian or by the student if he/she is 18 years of age or older or emancipated.

The district will ensure that students have onsite access to the appropriate resources to achieve a diploma, a modified diploma, an extended diploma or an alternative certificate at each high school. The district will provide age appropriate and developmentally appropriate literacy instruction to all students until graduation.

### Essential Skills

The district will allow English Language Learner (ELL) students to demonstrate proficiency in the Essential Skills of Apply Mathematics, in a variety of settings, in the student's language of origin for those ELL students who by the end of high school:

1. Are on track to meet all other graduation requirements; and
2. Are unable to demonstrate proficiency in the Essential Skills in English.

The district will allow ELL students to demonstrate proficiency in Essential Skills other than Apply Mathematics, in a variety of settings, in the student's language of origin for those ELL students who by the end of high school:

1. Are on track to meet all other graduation requirements;
2. Are unable to demonstrate proficiency in the Essential Skills in English;
3. Have been enrolled in a U.S. school for five years or less; and
4. Have demonstrated sufficient English language skills using the English Language Proficiency Assessment for the 21st Century (ELPA21)<sup>1</sup>.

The district may not deny a student, who has the documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers, or of a medical condition that creates a barrier to achievements, the opportunity to pursue a diploma with more stringent requirements than a modified diploma or an extended diploma for the sole reason the student has the documented history.
