

Public Comment at Board Meetings

All Board meetings, with the exception of executive sessions, will be open to the public. The Board invites citizens of the district to attend Board meetings to become acquainted with the program and operation of the district. Members of the public are also encouraged to share their ideas and opinions with the Board when appropriate.

It is the intent of the Board to ensure communications with individuals with disabilities are as effective as communications with others. Individuals with hearing, vision or speech impairments will be given an equal opportunity to participate in Board meetings. Primary consideration will be given to requests of qualified individuals with disabilities in selecting appropriate auxiliary aids¹ and services.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual. All auxiliary aids and/or service requests must be made with appropriate advance notice. Should the Board demonstrate such requests would result in a fundamental alteration in the service, program or activity or in undue financial and administrative burdens, an alternative, equally effective means of communication will be used.

Audience

During a session of a Board meeting open to the public, members of the public may be invited to present comments during the designated portion of the agenda. At the discretion of the Board chair, further public comment may be allowed.

Request for an Item on the Agenda

A member of the public may request the superintendent consider placing an item on the agenda of a regular Board meeting. This request should be made in writing and presented to the superintendent for consideration at least five working days prior to the scheduled meeting.

Procedures for Public Comment at Meetings

The Board will establish procedures for public comment in open meetings. The purpose of these procedures will be to inform the public how to effectively comment in Board meetings for the best interests of the individual, the district and the patrons. The information will be easily accessible and available to all patrons attending a public Board meeting.

1. Discussion or presentation concerning a published agenda item is limited to its designated place on the agenda, unless otherwise authorized by the Board chair.

¹Auxiliary aids may include, but are not limited to, such services and devices as qualified interpreters, assistive listening systems, note takers, readers, taped texts, Braille materials and large print.

2. A visitor speaking during the meeting may introduce a topic not on the published agenda. The Board, at its discretion, may require that a proposal, inquiry or request be submitted in writing, and reserves the right to refer the matter to the administration for action or study.
3. Any person who is invited by the Board chair to speak to the Board during a meeting should state his/her name and address and, if speaking for an organization, the name and identity of the organization. A spokesperson should be designated to represent a group with a common purpose.
4. Public comment by members of the community should be brief and concise. The Board chair may exercise discretion to establish a time limit on public comment by a visitor on any topic.
5. Questions asked of the Board will, when possible, be answered by the Board chair; referred to another Board member or another staff member present; or deferred for a response at a later time. Questions requiring additional information may, at the discretion of the Board chair, be referred to the superintendent for response at a later time.
6. At the discretion of the Board chair, anyone wishing to speak before the Board, either as an individual or as a member of a group on any agenda item or other topic, may do so by providing the Board secretary with a completed sign-in sheet.

Petitions

Petitions may be accepted at any meeting of the Board. No action will be taken in response to a petition before the next regular meeting. Petitions will be referred to the superintendent for consideration and recommendation of appropriate action.

Criticisms of Staff Members

Speakers may offer objective criticism of school operations and programs, but the Board will not hear personal complaints concerning district personnel or against any person connected with the school system. The Board chair will direct the visitor to the appropriate means for Board consideration and disposition of legitimate complaints involving individuals.
