Code: EA/EAA  
Adopted: 10/13/86-U  
Readopted: 9/8/97; 2/8/99

## Support Goals

The Board recognizes that business operations are essential – yet ancillary and auxiliary – to the education function of the school system. It is the intention of the Board to:

1. Ensure proper operation and maintenance of district buildings, vehicles, equipment and services; to set high standards of safety; to promote and protect the health of students and staff; and to support the efforts of staff to provide good instruction;
2. Ensure, through the superintendent and staff, the establishment of efficient and business-like procedures for management of buildings and grounds, office equipment, vehicles, supplies and the food program;
3. Ensure the establishment of a thorough, effective and economical maintenance program, including preventive maintenance, that will ensure a maximum useful life of district property, vehicles, buildings and equipment;
4. Ensure adherence to generally accepted management principles and to applicable laws and regulations.
