In case of sudden illness or injury to a student or a staff member, first aid will be given by school staff. Further medical attention to students is the responsibility of the parents or of someone the parents designate in case of emergency.

Each principal is charged with providing for the immediate care of ill or injured persons within his/her area of control.

In each school, procedures for handling health emergencies will be established and made known to the staff. Each school and school vehicle will be equipped with appropriate first-aid equipment.

All employees are expected to know where first-aid supplies and equipment are kept in their work areas. Designated employees in each building shall hold current first-aid cards. The superintendent or his designee will ensure that schools comply with Oregon Administrative Rules regarding required staff to student ratios or emergency response teams for first-aid cards.
