

Silver Falls School District 4J

Code: **EBC**
Adopted: 5/9/89-E
Readopted: 9/8/97

Emergency Procedures

The district will provide for the safety of all students, employees and members of the public at all times when under the jurisdiction of the school district.

An emergency plan and safety program shall be developed by the superintendent's office which shall comply with all local, state and federal laws relating to safety standards.

The district emergency plan will consist of a written set of procedures designed to guide life protective action in times of crisis. All district employees should have a thorough knowledge of this written plan. Planning, follow-up discussions and emergency drills will be used at the building level to implement this plan.

All district employees shall familiarize themselves with all district and building emergency procedures and shall actively participate in all emergency drills. Those employees acting in a supervisory capacity, including teachers, shall provide appropriate emergency instruction for all persons in their care.
