

Code of Conduct for Interscholastic Activities

The Board believes that employees, volunteers and students, participating at school functions or school-sponsored events, whether they be on or outside school grounds, should act accordingly as representatives of their school and the district. For that reason, the Board expects that employees, volunteers and students will behave in a courteous, civil, respectful and dignified way when representing their school.

Coaches are expected to conduct themselves professionally as a model of behavior for the student athletes. To clearly outline expectations of acceptable conduct, employee or volunteer coaches may be required to sign an acknowledgment form to indicate that they understand and will comply with the district's acceptable code of conduct for interscholastic activities.

Employees, volunteers and students are expected to demonstrate the following behavior when representing the school:

1. Display good sportsmanship at all times.
2. Show respect for authority and facilities.
3. Show respect for referees, umpires and officials.
4. Show respect toward teammates.
5. Compete and train in a fair and ethical manner to the best of their ability.
6. Show courtesy to the opposing team or competitor.
7. Show courtesy to all visitors, fans and parents.
8. Comply with rules of etiquette or conduct of the governing body of interscholastic activities.
9. Comply with other action as directed by the superintendent, superintendent's designee, supervisor, coach or other person in authority.

Employees, volunteers and students are expected to refrain from any behavior that is unsportsmanlike, disrespectful, or in violation of activity rules.

Employees, volunteers or students who violate Oregon School Activities Association (OSAA) rules may be subject to discipline, including removal from participation in interscholastic activities or expulsion from school. Employees, volunteers or students in violation of OSAA rules may be required to remunerate the district in the event fines are assessed by OSAA as a direct result of their actions that are in violation of this policy. Employees, volunteers or students may contest remuneration as a result of a district fine by OSAA under the appeal procedures for this policy.

Students, staff and volunteers may be required to sign an acceptable code of conduct agreement before they are permitted to partake in a specific type of interscholastic activity. The superintendent or designee will be responsible for establishing any administrative regulations.
