

Mother Friendly Workplace

The superintendent/designee shall see that the district makes a reasonable effort to provide a room or other location in close proximity to work areas, other than a public restroom, where an employee can breast-feed her child or express milk in privacy. This policy directs the superintendent/designee to include the following in the development of a regulation to ensure the provisions for employees required by this policy.

1. Advice of a school nurse or health professional in determining the most reasonable facility accommodation.
