Staff/Student/Parent Relations**

The Board encourages both parents to be involved in their student's educational activities, and unless otherwise ordered by the courts, an order of sole custody to one parent shall not deprive the other parent of access to school records.

The parent having sole custody will be contacted before records are released to a noncustodial parent. Only if the parent having sole custody presents a court document to the contrary will the noncustodial parent be denied access to the records.

Otherwise, the noncustodial parent may receive and inspect school records, consult with school staff concerning the student's welfare and education to the same extent as provided the parent having sole custody.

The district will use reasonable methods to identify and authenticate the identity of both parents.
