

# Silver Falls School District 4J

Code: **GCBA**  
Adopted: 11/12/01

## **Salary Placement – Out of District Experience \***

Candidates for teaching positions in the district may be offered one year of credit for each previous complete year of qualified public school teaching. A complete year is a minimum of 135 consecutive days of teaching in a single position during a school year.

Under special circumstances, the superintendent may ask for Board approval to waive this policy. Circumstances that may warrant consideration for waiver include teaching in an accredited private K-12 school and teaching at the college or university level.

For the purpose of this policy, the zero step of a salary schedule is year one. Five years of credit would place a teacher on Step 4.
