I understand that I may use accrued paid leave, including personal and sick leave or accrued vacation leave for the family and medical leave period. The district requires me to use any accrued sick leave, vacation, personal leave days or other paid time established by Board policy(ies) and/or collective bargaining agreement in the order specified by the district, and before taking leave without pay, for the family and medical leave period. I am required to use any accrued paid leave, including personal and sick leave or accrued vacation leave before taking family and medical leave without pay. I may select the order in which the paid leave is used for the family and medical leave period.

If my request for a leave is approved, it is my understanding that without an authorized extension when the need for an extension could be anticipated, I must report to duty on the first workday following the date my leave is scheduled to end. I understand that failure to do so will constitute unequivocal notice of my intent not to return to work and the district may terminate my employment. (A fitness-for-duty statement may be required.)

I authorize the district to deduct from my paychecks any employee contributions for health insurance premiums, life insurance or long-term disability insurance, which remain unpaid after my leave, consistent with state and/or federal law.

I have been provided a copy of the district's family and medical leave policy and a copy of my rights and responsibilities under the Family Medical Leave Act leave request form.
