

Classified Staff/Classified Staff Position

The classified staff shall consist of a group of employees holding positions approved by the superintendent which are classified according to the duties and responsibilities involved in the work, and which do not require a professional license as issued by the Teacher Standards and Practices Commission as a condition of employment.

Support services are essential to the successful function of a school system. Management of support operations is, therefore, an important responsibility of the district administration. It should be remembered, however, that education is the district's central function, and all support services shall be provided, guided and evaluated by this requirement.

In order to provide support services that are truly supportive of the educational program, the Board establishes these broad goals:

1. To provide a physical environment for teaching and learning that is safe and pleasant for students, staff and public.
2. To provide safe transportation for students to and from school and nutritious meals for students.
3. To provide support services, resources and assistance to the educational program as required.
