

Silver Falls School District 4J

Code: **IGBBC**
Adopted: 4/8/97-E
Readopted: 9/8/97
Revised: 1/10

Programs and Services - Talented and Gifted**

A district written plan will be developed for programs and services. All required written course statements shall identify the academic instructional programs and services to be provided which address the assessed levels and accelerated rates of learning in identified talented and gifted students. The superintendent will remove any administrative barriers that may exist which restrict students' access to appropriate services and will develop program and service options. These options may include, but are not limited to, the following:

- Early Entrance
- Grade Skipping
- Cluster Grouping in Regular Classes
- Cross Grade Grouping
- Compacted/Fast-paced Curriculum
- Special Part-time Classes
- Advanced Placement Classes
- Honors Classes
- Independent Study
- Credit by Examination
- Concurrent Enrollment
- Mentorship/Internship
- Academic Competitions
- Early Graduation

If parents are dissatisfied with the identification, placement or services given of their child in the district program for talented and gifted students, they are encouraged to follow the procedure outlined in Board policy KL, "Complaints from Patrons."
